Celebrating 4 years of health, healing & miracles!

We are celebrating our 4 year anniversary this month! The EFC Team is happy to be here "4" you! We are honored to continue to serve you and our Cape Coral community! We have had many stories of health, healing & miracles in our practice and we look forward to the many more to come! Thank you for allowing us to keep you anchored in your health.

To all our Heroes:

Did you know that EFC offerers a special Heroes discount? That discount is applied at the beginning of care in our office! However, in honor of Military Appreciation Month, we are offering a special discount, to all the Heroes out there, on new patient appointments in the office! See the front desk for details!
